

CUSTOMER PROTOCOL ON SITE

Wash Hands

Introduce yourself, and explain your current situation - that you have not been in contact with anyone affected, or travelled to any affected countries.

Please make sure you SANITISE YOUR HANDS before entering a customer's site.

Wear gloves where possible

Do NOT shake hands with the customer

Continually wash hands and clean work area

Use antibacterial wipes to clean keypads, microphones, keyboards, joysticks, push to exit buttons, etc

Before leaving site, wash hands according to the 20 second rule, then sanitise once offsite using the sanitisers provided
